FINE WROUGHT IRON

1938

Please Refer to Data Below in Making Up Orders

FINISHES: All frames come in any of these plain colors . . . White, Pink, Yellow, Hydrangea Blue, Lime Green, Sea Green, Haiti Blue, Ivory, or Matt Black Antiqued with Green. (At approximately 10% additional cost, there is offered also a special Antiqued Pink—similar to a rosedust shade.)

METAL SEATS COST LESS: Note that prices for chairs and settees with woven metal seats are lower than prices of same pieces with upholstered seats. All separate pads are priced extra. Alligator-grain Fabrikoid is used on upholstered seats: Lime, Red, Yellow, Blue, White. Separate pads of Lustresheen: White, Green, Coral, Yellow, Black, Blue, Brown.

POTS are priced separately unless attached; save by buying pots in dozen lots.

GLASS TOPS can often be gotten economically from a local glazier; therefore, glass-topped pieces are priced for frame only, with glass priced separately.

QUANTITY PRICES are quoted in many instances. Buy these popular re-sale items a half-dozen or a dozen at a time!

HOLDING TO AN IDEAL

For thirteen years, it has been my pride and pleasure to serve as selling representative for the Leinfelder family—an American family of craftsmen who work in the ideal "guild" fashion, creating original styles in iron furniture to suit contemporary life. The new 1938 designs offer more than ever in fashion, comfort—and value!
